Camino Pablo

(Sung to "I've Been Workin' On the Railroad")

**Here's to you, Camino Pablo,
Best school in the land.
Cheers to you, Camino Pablo,
We really think you're grand.**

**Thanks to you we will be smarter.
Learning's lots of fun.
Here's to you, Camino Pablo,
You're always number one!**

BOBCATS WILL SHINE

(Sung to "Our Boys Will Shine Tonight")

**Bobcats will shine today, bobcats will shine!
Bobcats will shine today, right down the line.
We're at our best today, we're feelin' fine.
When the moon goes down and the sun comes up,
Bobcats will shine!**

(spoken): Second verse, same as the first.

**Bobcats will shine today, bobcats will shine!
Bobcats will shine today, right down the line.
We're at our best today, we're feelin' fine.
When the moon goes down and the sun comes up,
Bobcats will shine!**

(spoken): Hey, friends, sing it again.

**Bobcats will shine today, bobcats will shine!
Bobcats will shine today, right down the line.
We're at our best today, we're feelin' fine.
When the moon goes down and the sun comes up,
Bobcats will shine! Hey!**
